Join Network Solutions as we host the 2020 Indiana County Commissioners CyberSecurity Workshop!

Please join Network Solutions, Inc. as we host the 2020 County Commissioner's CyberSecurity Workshop.

This workshop will feature speakers from the FBI Cyber Division, Barnes and Thornburg, Cadre Information Security and Network Solutions.

This unique workshop will give you an opportunity to discuss the Human, Technical and Legal aspects of cybersecurity and also provide you the tools and processes needed to keep your county safe and out of the headlines!

REGISTER TODAY

Breakfast will be served.
